The Williamson County Symphony Orchestra is a National award-winning, all-volunteer performing arts group dedicated to bringing the joy of great music to everyone! The Orchestra has received numerous honors since its formation in 2002 and is consistently recognized as one of the top ten community orchestras in the nation. Most recently, the Orchestra received 3rd Place in the Community Division of the American Prize in Orchestral Performance. Our reputation for musical excellence is renowned, and we are proud of the legacy of our program.

The Orchestra's all-volunteer, talented musicians rehearse weekly and perform 9 FREE concerts throughout Williamson County each year, including a holiday concert at Fort Cavazos for our servicemen and servicewomen. Our concerts are very well attended and greatly contribute to the well-being of the Williamson County community.

The non-profit Orchestra is currently supported solely by individuals across the Williamson County area, local cities, and the state of Texas. *It is also vital for us to have the support of local businesses so that we may continue our level of excellence.*

We sincerely hope that your business will consider sponsoring the Williamson County Symphony Orchestra as we continue our pursuit of "bringing the joy of great music to everyone." Your tax-deductible sponsorship donation will help sustain the Orchestra, enabling it to continue to flourish and produce high-quality, free concerts across Williamson County. It will also assist us in securing an orchestra-optimized rehearsal facility as well as help us achieve some of our long-range goals, which include updating percussion instruments and replacing old music stands and chairs for 70 musicians.

We hope to proudly display your name alongside ours as we both strive for community involvement and excellence.

Thank you for your consideration.
